

Found kittens?

Here's your guide on what to do.

**START
HERE:** Are the kittens
injured or
critically ill?

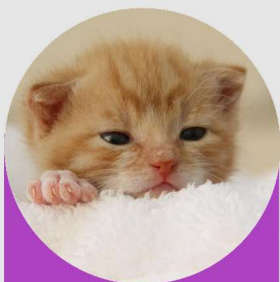

CALL
your county's local animal
shelter or humane society

ESTIMATE THE AGE OF THE KITTENS

0-2 WEEKS
eyes closed or
barely open

2-4 WEEKS
eyes open and
becoming mobile

4-6 WEEKS
very mobile;
can eat food

6-8 WEEKS
very active;
1-2 pounds

8+ WEEKS
very active;
2+ pounds

STOP! Can you see the mom OR a nest?

YES ↓

NO ↓

If the kittens are friendly,
call your local shelter or
humane society for
intake assistance.

DON'T KIT-NAP!
A kitten's best chance of
survival is with mom.
Leave the kittens with
mom.

ARE YOU SURE?
Mom may be off hunting
or scared of people.
Watch for her to come
back for 12-18 hours.
